Mr/Ms FLAG Judging Methods

The contest shall be broken down into four sections

- Interview – Maximum 50 points. Each contestant will undergo an interview where the judges will evaluate them on confidence, ability to answer questions "on their feet", and public presentation.
- Touch – Maximum 30 points. Each contestant will caress each blindfolded judge's face and shoulder area with their best gloves. Contestants will be judged by style and finesse of touch. Contestants will only be identified by number at this point.
- Full Gear – Maximum 40 points. Contestants will show off their choice of full fetish attire with gloves. This category will be judged on how well the gloves complement the contestant and their fetish attire. Note: this does not necessarily mean leather attire. This is not a physique contest, but a contest of confidence. This portion of the contest will look at how well the fetish attire fits the person wearing it and how comfortable the contestant appears in the attire.
- Intro & Question – Maximum 30 points. Each contestant will be allowed a few seconds to introduce themselves and then respond to a question with a witty answer.
